

Certificate of Approval of Electric Provider

I hereby certify that the requirements set forth in rules, regulations, by-laws, policy and operational bulletins, plat approval checklist and tree planting guidelines have been met for MTEMC. Any approval is at all times contingent upon continuing compliance with the MTEMC.

Electric Provider _____ Date _____

Certificate of Approval of Streets and Drainage

I hereby certify that:
(1) The streets, drainage, and sidewalks designated on this final subdivision plat have been installed in an acceptable manner and according to the Town of Nolensville Roadway and Drainage Regulations, or
(2) that a surety bond has been posted with the Planning Commission to assure the completion of all required improvements in case of default.

Town Engineer _____ Date _____

Town Planner _____ Date _____

Certificate of Approval of Utility System

I hereby certify that the following utility systems outlined or indicated on the final subdivision plat entitled "Final Plat of Benington Subdivision Section 9" have been installed in accordance with current local and/or state government requirements or that a surety bond has been posted with the Planning Commission to assure completion of all required improvements in case of default. Also, I certify that the hydraulic design criteria specified in Section 5.5 and Section 5.6 of the Nolensville Subdivision Regulations have been met.

Water System

Name, Title, and Agency of Authorized Approving Agent _____ Date _____

Certificate of Approval of Metro Nashville Department of Water and Sewerage Services

I hereby certify that the following sanitary sewer systems outlined or indicated on the final subdivision plat entitled "Final Plat of Benington Subdivision Section 9" have been installed in accordance with Metro Department of Water and Sewerage Services standards and specifications and/or state government requirements or that a performance agreement and letter of credit has been posted with Metro Nashville Department of Water and Sewerage Services to assure completion of all required sanitary sewer improvements in case of default.

Metro Nashville Dept. of Water and Sewerage Services _____ Date _____

Certificate of Approval of Subdivision Name and Street Names

I hereby certify that Williamson County has approved the subdivision name and street names.

Williamson County Public Safety _____ Date _____

Certificate for Addresses

I hereby certify that the addresses denoted on this final plat are those assigned by the Town of Nolensville Planning Department.

Town Planner _____ Date _____

Certificate of Approval for Recording

I hereby certify that the subdivision plat shown hereon has been found to comply with the Subdivision Regulations for Nolensville, Tennessee, with the exception of such variances, if any, as are noted in the minutes of the Planning Commission and that it has been approved for recording in the office of the Williamson County Register of Deeds.

Secretary, Planning Commission _____ Date _____

THIS APPROVAL SHALL BE INVALID IF NOT RECORDED BY _____

Certificate of Ownership & Dedication

I (We) hereby certify that I am (we are) the owner(s) of the property shown hereon as evidenced in Book _____ Page _____, R.O.W.C., Tennessee, and that I (We) hereby adopt this plan of subdivision with my (our) free consent, establish the minimum building restriction line, and that offers of irrevocable dedication for all public streets, utilities and other facilities have been filed as required by these Regulations. No lot(s) as shown hereon shall again be subdivided, re-subdivided, altered or changed so as to produce less area than is hereby established until otherwise approved by the Nolensville Planning Commission, and under no condition shall such lot(s) be made to produce less area than is prescribed by the restrictive covenants as of record in Book _____ Page _____, R.O.W.C., Tennessee, running with the title to the property.

Owner(s) _____ Date _____

Title (if acting for partnership or corporation) _____

Email: wmkottas@hotmail.com

LOT NOTE:

- All lots to have side or rear garage entry.
- Lots subject to engineered site plans on the basis of grade.
- Lots subject to more detailed analysis relative to drainage way constraints. Drainage way shall be field verified and the limits respected by either (A) adjusting the building envelope to avoid the drainage way or (B) adhering to the intent of the design standards of Section 7113 & 7117 of the zoning ordinance.
- Lots subject to more detailed analysis relative to mature woodlands. The limits of the woodlands shall be field verified and the limits respected by either (A) adjusting the building envelope to avoid the designated woodlands, (B) establishing development pads that provide the required protection levels of section 7112 of the zoning ordinance or (C) mitigation.

SURVEYOR NOTES

- The location of the property boundaries depicted hereon, based on the appropriate boundary law principles governed by the facts and evidence gathered during the course of this survey. Per accuracy and precision required by the State of Tennessee, in the opinion of this surveyor the monuments shown represents corners of the property. Corners have been found or set as indicated hereon. As a professional opinion, this survey carries no warranties or guarantees, expressed or implied.
- Any improvements depicted may be demolished. The depiction of any improvements on this plat does not create any easement, setback, building pad, or other matter and is for informational purposes only as of the date and time of the recording of this plat.
- Survey not final without Red Seal and Signature of Surveyor.
- All set property corners are marked with 5/8" diameter rebar with an orange GS&P cap.
- This survey may not be reproduced, altered, or copied without written permission of Gresham Smith and Partners.
- This property has direct access to a dedicated public right-of-way.
- As shown on survey, there are no gaps or gores between tracts.
