

TOWN SIGNS UPDATED

Through State Street Aid, new black street signs have emerged on streets which open to Nolensville Road. The sign bases and decor coordinate with the traffic signal to be installed at Rocky Fork/Clovercroft and Nolensville Road. Recently, TDOT, advised Nolensville that we are a recipient of a signage grant. A representative has already visited Nolensville to inventory all street signs and will provide replacement signs for all those that need to be improved or lettered with greater reflectivity.

MARTIN'S BARBQUE BEGINS CONSTRUCTION

Town Hall has received phone calls in regards to the construction on Oldham Drive, behind the Sonic on Nolensville Road. Martins Barbeque is relocating and construction is anticipated to be completed by December 1st.
