

# SPECIAL CENSUS

## BE COUNTED

According to the 2015 Special Census, the Town of Nolensville has a population of 7,936 residents. However, based on housing permits and utility hookups which have occurred since the completion of the most recent Census, we believe that we have many more residents that have not been counted. By the town's estimates we are quickly approaching **10,000 people**. We need your help.

**The easiest way to help is to fill your form out online at [www.nolensvilletn.gov](http://www.nolensvilletn.gov)**

We need a response from every address. It's short, simple and very important. It's important to you because of the resources Nolensville receives from the State of Tennessee in the form of shared tax revenues. These additional revenues allow us to maintain a low property tax rate and to provide much needed services such as road improvements, police, and fire protection. However, these revenues are based upon a certified population base.

**Please take a moment to do the following:**

- 1. List your complete street address. (Even if you receive your mail at a post office box);**
- 2. List the first and last name of all persons living at this address (include students who may be away at college) Detach this form at the perforations and return it to town hall or mail to P.O Box 547 Nolensville, TN 37135.**

Should you have any questions or if you wish to provide us your information electronically please visit [www.nolensvilletn.gov](http://www.nolensvilletn.gov) or email the information directly to [census@nolensvilletn.gov](mailto:census@nolensvilletn.gov). In order to verify the accuracy of the census, we are required to either receive a response from each resident or to personally visit the residents who do not respond. Therefore, please take a moment to fill out the census form and help your town.

Sincerely,

Jimmy Alexander  
Mayor
